ITEM 2.05. COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES.

On March 5, 2008, the Board of Directors of Hudson Highland Group, Inc. (the "Company") approved a plan to streamline the Company's support operations in each of the Hudson regional businesses to match its focus on specialization. The Company estimates that the pre-tax cost of the program will be between \$5 million to \$7 million for the year ending December 31, 2008, including between \$1 million to \$3 million in the first quarter of 2008. The Company expects the program to be completed in 2008. The program includes costs for actions to reduce support functions to match them to the scale of businesses after divestitures (\$3 million to \$4 million), exit underutilized properties (\$1 million to \$2 million) and eliminate contracts for certain discontinued services (\$0.5 million to \$1 million). These costs are principally employee termination benefits, lease termination payments and contract cancellation costs. The Company is taking these actions to reduce costs and increase sustainable, long-term profitability of the Company. The future cash expenditures for the actions described above are anticipated to be paid out primarily over the following six to twelve months and are approximately equal to the estimated costs.
